How may I help you?

Keri Kaufmann, Guidance Counselor

As the Guidance Counselor for the Hospital Schools Program, I can help to:

- communicate with your child’s school to provide credit for work that has been completed while hospitalized
- provide various levels of school-related support based on student needs
- coordinate the administration of New York State testing for grades 3-8 and New York State Regents
- act as a liaison between Hospital Schools Program and Home Instruction Schools

I may be reached at (718) 794-7266 or by email at kkaufmann@schools.nyc.gov
